# WINTER SEASON AT MADONNA DI CAMPIGLIO

---

**A small preventive organisation  
for a holiday in safety and serenity.**

- To access to the hotel, restaurant and Spa you have to had the Greenpass Certification.
- Currently it is possible to access the Spa with temporary measures; in every area (bio-sauna, sauna and Turkish bath) we have indicated the maximum number of people allowed to use those. We kindly ask to our guests to use these services based on the common sense for this particular period. No reservation is required.  
The mask has been wear during your movments into the Spa and also for staying on the relaxing bed in the lounge area.  
Children under 13 years old can use the swimmingpoll till 5.30 p.m.
- It is mandatory to use the mask inside the hotel; in the event of flu symptoms, fever above 37.5 ° C, it is not possible to access at the hotel.
